

At home or on the go, have a video visit with a doctor, 24/7

Using LiveHealth Online, you can have a visit with a doctor on your smartphone, tablet or computer.

Sometimes you just need to check with a doctor to get quick care for a common health issue. Or, you're on a trip and need to feel better right away. LiveHealth Online lets you have a video visit with a board-certified doctor from home, work or anywhere you have an internet connection.* No appointment needed. Just log in at livehealthonline.com or use the app, and see a doctor in a few minutes.

When your own doctor isn't available, use LiveHealth Online if you have:

- Pinkeye
- A cold
- The flu
- A fever
- Allergies
- A sinus infection
- And more

A doctor can assess your condition, provide a treatment plan and even send a prescription to your pharmacy, if it's needed.*

What will a visit cost?

Your Anthem plan includes benefits for video visits using LiveHealth Online, so you'll just pay your share of the costs — usually \$59 or less.

* Prescription availability is defined by physician judgment and state regulations. Visit the home page of livehealthonline.com to view the service map by state.

If you're a retiree or have coverage that complements your Medicare benefits, your employer sponsored health plan may not include coverage for online visits using LiveHealth Online. Check your plan documents for details. You can still use LiveHealth Online, but you may have to pay the full cost of a visit. Online visits using LiveHealth Online may not be a covered benefit for HRA and HIA+ members.
