
 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact United Agricultural Benefit Trust (UABT) Member Services Department at 1-800-223-4590. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	\$250/individual or \$500/ family for <a href="#">Network Providers</a> and \$500/individual for <a href="#">Non-Network Providers</a>	Generally, you must pay all the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , once the family <a href="#">deductible</a> is met, there is no further deductible necessary.
<b>Are there services covered before you meet your deductible?</b>	Yes, <a href="#">Preventative Care</a> Visits	<a href="#">In-Network Preventative Care</a> is covered at 100%.
<b>Are there other deductibles for specific services?</b>	No.	Not Applicable
<b>What is the <u>out-of-pocket limit</u> for this plan?</b>	For <a href="#">network providers</a> \$3,000/patient or \$6,000/family; for <a href="#">out-of-network providers</a> \$4,000/patient For RX \$8,700/patient or \$17,400/family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this plan, once the family <a href="#">out-of-pocket limit</a> is met, there is no further <a href="#">out-of-pocket expense</a> required. For <a href="#">out-of-network providers</a> , each patient must meet the individual patient <a href="#">out-of-pocket limit</a> .
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	Any <a href="#">co-pays</a> and non-covered expenses.	You are always responsible for any co-pays for Medical, Rx and non-covered expenses.
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.UnitedAg.org">www.UnitedAg.org</a> or call 1-800-223-4590 for a list of <a href="#">network providers</a>	This plan uses the Blue Shield of California <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">providers'</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might refer you to an <a href="#">out-of-network provider</a> for some services (such as lab work, emergency room services, anesthesiology). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You may see a specialist of your choice without obtaining permission from the plan. But do remember that there is a greater <a href="#">out-of-pocket</a> cost to you if your specialist is <a href="#">out-of-network</a> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a deductible applies.
